

FRA LOAN EQUIPMENT

FRA Loan Equipment

The FRA has the following equipment available for loan to organisers of registered races, in a number of locations around the country:

- Two sets of six VHF radios in the Lake District kept at Pete Bland Sports in Kendal;
- Two sets of six VHF radios in the Peak District kept by Geoff Briggs from Pennine FR;
- An 8m x 4m Gala tent plus a 6m x 4m heavy duty marquee in the Lake District;
- An 8m x 4m Gala tent in the Peak District;
- 2 x Seiko electronic timers with printers kept at Pete bland Sports in Kendal;
- A stadium digital clock kept in the Lake District;
- Start and Finish banners kept in the Lake District;
- Traffic mats stored at Braithwaite.

Any of this equipment is available for race organisers to borrow on a first come, first served basis. There is no charge for the loan of the equipment, but the organizer may need to make arrangements to collect and return it from wherever it is located and should take good care to return it in the same condition. Any losses will be charged at cost.
